Dear Sarang,

On behalf of the Kingston Society for Conservation Biology, I would like to congratulate you on your photos "Human Nature" and "Stepping Stones" winning Honourable Mention in the 2005 Kingston SCB Nature Photo Contest. Our three judges, Philippe Baud, Jack Chiang, and Mike Runtz, were very impressed with your submission, and send their congratulations. I would also like to thank you for your contribution to the Silent Auction held in conjunction with this year's Photo Contest. Thanks to wonderful photographs like yours, this year's Silent Auction raised over \$3000 to support local conservation initiatives. Thank you!

Sincerely,

Kyle Gervais
