### ENGINEERING IN SOCIETY PHOTOGRAPHIC COMPETITION 2004

Dear Sarang,

Thank you for your entry in the 'Engineering in Society' photographic competition. It is our great pleasure to notify you that your photograph entitled 'Imagination' has been selected as the first prize winner in the *Public* category of the competition. In addition your photograph 'Reinventing the Wheel' has been selected as the third prize winner and 'Look Closer' has been given an honorable mention. Congratulations!

You will receive for your first and third prize photographs. As stated in the rules and regulations of the competition, we are planning on displaying the winning photographs during the month of October in the Integrated Learning Centre.

Once again, congratulations on your success.

Best wishes,

Martha de Bruyn
