Mr. Sarang Solhdoost
156 Borrows Street

Dear Mr. Solhdoost:

It is with great admiration that I read of your outstanding accomplishment in today's Toronto Star. You and your parents must be beaming with pride having your photography currently being exhibited as part of "A Hand of Hope", a PhotoSensitive exhibit at the Design Exchange. You are fortunate to have had a grandfather who influenced you so greatly and deeply enriched your life.

It is people such as yourself, Sarang, who make me proud to be an elected member of Vaughan Council, "The City Above Toronto".

Please accept my personal congratulations - I wish you all the very best for your future success!

Sincerely,

Peter Meffe
Councillor
